

Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act of 1998, the medical plan options offered to you by Republic Services provide benefits for mastectomy-related services. These services include reconstruction of the breast involved in the mastectomy; surgery and reconstruction of the remaining breast to produce a symmetrical appearance; prostheses; and treatment of physical complications at all stages of mastectomy (including lymphedema).
